

Hazwoper-Site Worker (8 Hour)

Provider: Beacon OHSS

Length: 8 Hours

Website

<http://www.beaconohss.com/servlet/content/55.html>

This 8 hour course is designed to meet the requirements of OSHA 1910.120 for annual recertification of the 24 and/or 40 hour HAZWOPER certificates. The course will include review of the OSHA requirements for employees who are required to work with and/or around hazardous materials in either everyday operations or as a member of an organized spill response team.
